CANADA AWARDS FOR BUSINESS EXCELLENCE

The CANADA AWARDS FOR BUSINESS EXCELLENCE were created in 1984 by the the Government of Canada to honour businesses of all sizes and in all industry sectors for outstanding achievements in entrepreneurship, business management and science. These coveted awards have since become synonymous with the best in Canadian business.

The CANADA AWARDS FOR BUSINESS EXCELLENCE honour achievement in ten categories: Small Business, Productivity, Marketing, Entrepreneurship, Labour/Management Co-operation, Innovation, Invention, Industrial Design, Quality and Environment.

Selection is by independent teams of private sector experts. In each category the jurors choose up to three trophy winners - one gold, one silver and one bronze. A number of Certificates of Merit are also awarded.

Each year, Canada Awards winners are honoured by their peers and by all Canadians coast to coast.

The benefits are tangible and substantial. Winners become the focus of national attention. A prestigious awards ceremony and national advertising create country-wide recognition.

Winners can exhibit their awards proudly and have the exclusive right to use the logo of the Canada Awards in all communuications. Past winners have noted a marked increase in employee motivation as well as increased sales and profitability attributable to the awards.

Winning a CANADA AWARDS FOR BUSINESS EXCELLENCE trophy is a considerable achievement, but participation itself can be rewarding by heightening the company's team spirit and pride in its success.

INTRODUCTION

Industry, Science and Technology Canada's Directory of Canadian Custom Brokers and Freight Forwarders is designed to serve shippers with little transportation experience as well as knowledgeable traffic managers. Its aim is to inform shippers of the capabilities of the Canadian freight forwarding and custom brokerage industries. Prepared with the co-operation of the Canadian International Freight Forwarders Association (CIFFA), the directory is updated on a regular basis.

The Canadian industry maintains a worldwide network of offices and/or agents who can make arrangements to deliver your goods anywhere in the world. It provides clients with access to general or specialized traffic management expertise. Some of the companies listed in this directory offer specialized services for certain world regions, handling different types of commodities, or moving goods efficiently by different modes of transportation. Other companies provide a complete range of freight forwarding services including customs brokerage to facilitate door-to-door deliveries. Companies that are members of CIFFA carry a minimum $100,000 liability insurance to protect shippers against losses caused by the forwarder, and use the association's standard trading conditions or those no less onerous in their contracts with shippers. The communication, distribution and commercial intelligence services offered by this industry are often superior to those available to shippers acting on their own behalf to distribute their goods or clear them through customs authorities.

The directory is divided into five parts.

Part I, 'Company Profiles', contains a brief description of each company.

Part II, 'Canadian Offices', lists, by province and city, the addresses of each company's head office and branch offices in Canada.

Part III, 'Foreign Offices/Agents', identifies forwarders with offices or agents in foreign countries. You should be aware that forwarders not shown for a specific country can often serve these destinations through other means.

Part IV, 'Services', describes services provided by a company. Services in this sector have been grouped in four subsections related to 'Customs Clearing/Advisory', 'Financial/Documentation', 'Shipment Handling' and 'Transportation'. This section does not identify freight forwarder or custom broker services separately because many firms offer both.

Part V, 'Addresses', contains the addresses of industry associations.

The Publication of company names in this directory does not imply any government endorsement of their capabilities. It simply reflects services advertised by each company. Information shown was provided voluntarily by the companies for the ISTC Business Opportunities Sourcing System (BOSS).

For additional copies, please contact the ISTC Business Centre in Ottawa or any ISTC regional office.

PART I

COMPANY PROFILES

The establishments in this directory are listed alphabetically by name. Directory users seeking a listing should consider the different ways in which a company might be listed.

e.g. THE JOHN F. DOE CO. LTD.

JOHN F. DOE CO. LTD.

J.F. DOE. CO. LTD.

THE DOE CO. LTD.

DOE CO. LTD.

BOSS personnel can be of assistance in locating directory listings. Requests can be made by collect telephone call to (613) 954-5031 in Ottawa.

Custom brokers are not separate from freight forwarders because many companies offer both services.
